NJ Cannabis
CERTIFIED

Continuing Education

The CREAMM Act Allows the CRC to Standardize Training for the Industry

Within the Commission's Powers are:

Establishing accreditation and licensing criteria for responsible cannabis server and seller training and certification programs for cannabis retailer employees.

and

Establishing screening, hiring, training, and supervising requirements for retail store employees and others who manufacture or handle cannabis items.

The commission may require an individual applying for a certification successfully complete a course in which the individual receives training on:

- **checking identification;**
- **detecting intoxication;**
- **handling cannabis and cannabis items;**
- **statutory and regulatory provisions relating to cannabis;**
- **Any matter deemed necessary by the commission to protect the public health and safety.**

Cannabis Business ID Cards

N.J.A.C. 17:30-8.1

Every individual who works in or works with cannabis will need to register with the Commission and will be issued a Cannabis Business ID Card.

- \$25 every year
- Completion of a training course
- At least 21 years old
- Pass background check

TRAINING WILL BE MANDATORY IN THE ADULT USE MARKET IF YOU

Touch the plant or products

Have access to plants or products

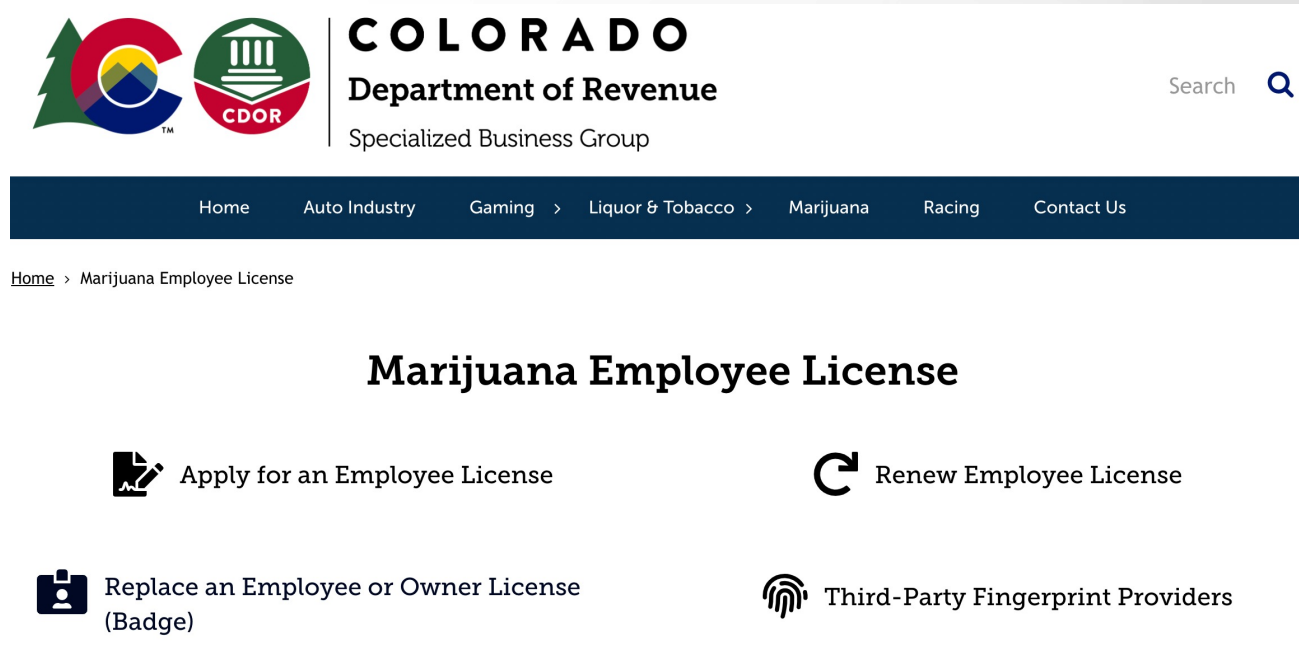

Are owner or principal or manager

Cannabis Business Training

N.J.A.C. 17:30-9.8

Each owner and principal of a license-holder that handles cannabis and each employee and volunteer and any management services contractor staff of a license-holder **shall complete at least eight hours of ongoing training each calendar year.**

Cannabis Business ID Cards

The screenshot shows the Colorado Department of Revenue website. The header includes the state logo, the text "COLORADO Department of Revenue Specialized Business Group", and a search bar. A navigation menu lists: Home, Auto Industry, Gaming, Liquor & Tobacco, Marijuana, Racing, and Contact Us. The breadcrumb trail reads "Home > Marijuana Employee License". The main heading is "Marijuana Employee License". Below it are four options: "Apply for an Employee License" (with a pencil icon), "Renew Employee License" (with a circular arrow icon), "Replace an Employee or Owner License (Badge)" (with a badge icon), and "Third-Party Fingerprint Providers" (with a fingerprint icon).

Has completed a training course, whether from a license applicant, a license-holder or a third party, that has been approved by the Commission and provides **education on, at a minimum, the following topics:**

- i. History of cannabis use, prohibition, and legalization;
- ii. Common cultivation techniques and strain/cultivar varieties;
- iii. Chemotypes of cannabis;
- iv. Packaging, labeling, and advertising;
- v. Cultivation and manufacturing processes;
- vi. Health education regarding the risks of cannabis use and over-use, including cannabis dependency;
- vii. The medical use of cannabis; and
- viii. Laws and regulations pertaining to cannabis, including the Act and this chapter

Administrative Matters
